making his creations. In the past Aidan has

performances like the Winter Park Arts
Festival twice! Aidan has won the Arts4All

**James Valiquette
(Dr. Finkelstein)**

James brings a lifetime of warmth to his roll in Lydia Deetz. When not lending his voice to the lab, you can find him cheering on his favorite football team, catching a movie, or soaking up the sun at the beach or getting yelled at by his wife. (Ha Ha) Above all, James is a proud and devoted grandfather whose love and support for his grandkids knows no bounds. We're so glad he's part of the family — on screen and off.

**Cosmo Wilson
(Cosmo the Puppy)**

This is Cosmo's first Halloween ever!
He was born back June and currently is 4 months old
and he is so excited to see what this holiday is!?

**Eric Wilson
(Pappa/ Death/Igor)**

Eric is happy to be a part of this production and support his son Aidan

Eric is not a stranger to being in front of the camera. He was a Television Broadcast Meteorologist for more than 20 years. He is also a talented graphic artist, video editor, and storyteller. He's been know as the "Magic Wand". Eric is the Executive Director of Hearts, Hands, and Hope and a published author. You can check out his new book *The Attention Compass* on Amazon.

A Message from the Director

Welcome to the Premier of Lydia Deetz a new creation made by me to celebrate the release of Beetlejuice Beetlejuice. This year's display is especially meaningful as a heartfelt tribute to Catherine O'Hara the Original Delia Deetz and a huge inspiration to Aidan Wilson Creations.

AWC was built with one purpose -self expression. Using Duct tape and recycled materials, I create pop culture icons like Beetlejuice alongside original pieces like the ghosts in the tree. Over the years AWC became more seasonal, but the core of everything has always stayed the same.

I have Autism and ADHD, and I'm a proud supporter of the belief that Neurodivergent people should feel heard. Despite my differences, my goal has always been to bring Joy to others and inspire them to be whatever they want to be.

Fun fact - every member of this cast has some form of disability & I highly suggest watching Lydia's video.

I hope you enjoy!
Happy Fall
